WHO WE ARE

About our chapter

AIA Atlanta, the Atlanta Chapter of the American Institute of Architects, is a professional organization representing over 1,700 architects and designers in Metro Atlanta. The chapter provides continuing education, political advocacy, networking, and leadership development, as well as raises public awareness of the work of architects.

AIA National is headquartered in Washington DC, and has been the leading professional association for licensed architects and emerging design professionals since 1857, now representing more 90,000 members.

Become a strategic partner of AIA Atlanta

- Premier brand visibility
- Direct engagement with Atlanta architects
- Exclusive event access and hosting opportunities
3 ways to maximize your impact

**AMPLIFY**
Generate brand awareness by sending periodic email blasts to our membership throughout the year.

**ENGAGE**
Get face to face with members and industry leaders with complimentary tickets to AIA Atlanta events.

**EDUCATE**
Establish relationships and attract leads by presenting AIA-approved courses on products, techniques and best practices.

AIA Atlanta is seeking strategic partnerships with organizations that share a mutual goal of advocating for architects, the built environment and the quality of life in our communities.

Patrons increase their brand visibility and gain direct access to Atlanta-area architects, business leaders, and potential clients. Find the full benefits breakdown on page 3.

The AIA Atlanta Patron Program has been a tremendously valuable investment for Architectural Visions Inc., enabling us to connect with leaders in the local architectural community. We have been able to forge lasting relationships while providing quality, architecturally sensitive products that meet the community's high standards.
